Dear Parents/Carers,

I am writing to inform you of the attendance schemes that Beckers Green Primary School will be implementing this academic year.

We will be continuing with the '98 club' project, where the attendance of all children at the school will be reviewed in December 2016, March 2017 and July 2017. If your child achieves a consistent attendance of 98% or above throughout the academic year, they will be awarded with a bronze, silver or gold badge each term. If your child does not achieve an attendance of 98% in the first term but does in the second or third term, they will start from the beginning and be awarded with their bronze badge.

I will also be monitoring the attendance of each class on a weekly basis. If a class has 100% attendance or 100% punctuality in a week, they will be provided with a certificate of recognition. Certificates will also be awarded to children on a termly basis who have 100% attendance.

Any child at the end of the academic year who has both 100% attendance and 100% punctuality will be rewarded with a small gift or treat.

Regular school attendance is the key to the success of every individual child. We are proud of the progress that we have already made in reducing persistent absence and together we need to ensure this will be sustained in the future.

Should you wish to discuss the above further, please do not hesitate to contact me.

Yours sincerely
